

Rain out Policy

Beach Volleyball

All Urban Rec Beach leagues will run RAIN OR SHINE, unless there is standing water on the courts. If you are unsure of if a night of play is going to happen – Please call the Urban Rec Weather Line at 604-878-7246 at 4:30 for an update. If there is no update than games are being played as scheduled

Soccer , Flag Football & Ultimate

All Urban Rec Soccer, Flag Football & Ultimate Leagues will run Rain or Shine, unless there is standing water on the fields If you are unsure if a night of play is going to happen – please call the Urban Rec Weather Line at 604-878-7246 at 4:30 PM for an update. If there is no update than games are being played as scheduled

Slo-Pitch

At 4:30 PM for league nights (8 AM for tournaments), Urban Rec will make a “go”-“no go” decision on play for that evening. This decision will be recorded on our rainout hotline (604) 878-RAIN (7246). As a rule of thumb, we will always lean towards playing, as long as conditions will be acceptable for play. All of our locations tend to be in areas of the city that do not get a lot of rain, so even if it is raining in your neighborhood, more often than not it isn't at our facilities, so we encourage you to always call the rain hotline at 4:30 PM on your day of play.

If Urban Rec decides that scheduled games are on, and a team chooses not to compete, they will be considered in default and will be subject to default policy as noted above.

Sometimes, in spite of our best intentions the weather can turn for the worse between the time we make the decision to play at 4:30 pm and the start of our league play at 5:45pm. In the case of a sudden turn in the weather, Urban Rec Event Coordinators have the ability to cancel play anytime after 6 PM if conditions worsen and the outlook for the rest of evening is bleak.

If Urban Rec decides that scheduled games are on, and a team chooses not to compete, they will be considered in default and will be subject to the Urban Rec default policy.
